

Stray Dog Intake Form

Thank you for bringing this stray dog to the shelter so that we can provide him/her with the care he/she needs. It would help us if you could please answer the few questions below.

Is this the first day that you have seen this dog, or have you seen him/her previously?

How did you capture the dog to bring him/her to the shelter?

Were you able to pet/touch the dog?

Would you consider the dog to be friendly?

Have you witnessed the dog showing any aggressive behavior towards people or other animals?

If so, who was the target of the aggressive behavior?

Please describe exactly what the dog did in this/these instance/s

To your knowledge did the dog nip or bite anyone?

If yes, when did the bite occur?

Who was the victim of the bite?

Did the wound bleed?

Did the person seek medical attention?

Would you consider adopting the dog if his/her owner is not found?
